

The Chase for the Club Challenge Cup
BRITISH CHALLENGE RALLYE
SATURDAY 21 JUNE 2025
Bridgewater-to-Flemington, N.J.

The historic British Challenge Rallye (“BCR”) was a yearly event that pitted the best of the British cars and car clubs against each other. It was resurrected in 2019, then run again in 2022, 2023 and 2024. The Jaguar team won in 2019. The Austin-Healey Sports & Touring Club reclaimed the trophy in 2022, only to lose it to the Triumphs in 2023 and 2024.

The BCR is back for 2025 on Saturday, June 21 — Time for your club to compete for the coveted Challenge Cup!

This is a fun and easy gimmick rallye (scavenger hunt) suitable for rallye goers of all levels. You will traverse through the beautiful Hunterdon County area of New Jersey, ending in Flemington. **The event will be limited to 30 cars** so register early. All cars are welcome, but additional points will be given for British cars. You **must** be affiliated with a British car club to participate.

A club needs at least three teams entered (driver/navigator) to compete for the trophy. The top three team scores from each club will be averaged to determine the winning club.
